VOTER VAULT ACCESS AGREEMENT

The Arizona Republican Party (AZGOP), in conjunction with the Republican National Committee (RNC), will maintain a statewide, Internet-accessible registered voter file database for use by various AZGOP organizations and other expressly authorized users.

AUTHORIZED USERS: Authorized Users are those organizations and individuals who have requested and received express permission from the AZGOP to obtain a password to be used for access to Voter Vault. Passwords will be issued by the AZGOP for a period of no longer than the current election cycle ending December 31, 2012, and must be renewed thereafter. Passwords may not be shared with other users or non-users. Failure to comply with any Voter Vault policies in this document or the user agreements within the Voter Vault site will subject users and or organizations to immediate suspension or revocation of Voter Vault privileges.

PERMISSIBLE USAGE: It is understood that the information contained in Voter Vault may be used for any legal purpose that may reasonably be categorized as both non-commercial and political. Under no circumstances shall any information incorporated in Voter Vault be used for a commercial purpose.

AMENDDMENTS: AZGOP reserves the right to update and amend this policy as is deemed necessary. All updates and amendments shall be considered retroactive to the original implementation date of this signed agreement.

Should I break any part of this agreement, I understand that the AZGOP may suspend or revoke my Voter Vault user privileges. Furthermore, I hereby pledge that I am a registered Arizona Republican and intend to remain so throughout the duration of this election cycle ending December 31, 2012.
